Parent Night

We are planning a parent night for our PASS students on Thursday, October 30. We are planning a game night. These games are fun as well as good learning tools!

Parent Night will begin following the dismissal of PASS.

Students that will be staying with their parents and NOT riding the bus will need to sign the attached note. If we do not receive the attached note we will be sending your child home on the bus.

5th Grade students –

The focus has been on writing clear and concise directions. Just think about how many times a day you have to read and follow directions! One fun activity was writing directions on making a peanut butter and jelly sandwich. Then of course the students had to make a sandwich using their directions. YUM!

6th Grade students –

The focus has been on reading and working on comprehension skills. Students have also been working on making those important connections through visualizing, predicting and questioning.
