FALL

2015

SPORTS

guide

LAKERS

*WHERE CHAMPIONS WEAR PURPLE AND GOLD!*

## Welcome to Camdenon High School “Home of the Lakers” Brett Thompson, Principal

Welcome to Camdenon High School, *Home of the Lakers!* It is certainly an exciting time to be a Laker, and we are looking forward to a successful fall season of CHS activities. With the hard work and commitment of our students, coaches, and sponsors, we are sure to continue that winning

Laker tradition that is second to none.

As we look forward to a new season of activities, we want to thank our community for the remarkable support provided to our students and our school. By working together, we are sure to maintain a positive learning community for our students and help them achieve great successes both in the classroom and on the field.

Extra-curricular programs are an extension of the classroom, and they play a significant role in our students' education. Participation in these activities allows students to realize the importance of individual responsibility, competition, and teamwork, all of which will contribute to their future accomplishments. Through their commitment to team success, students also learn valuable lessons regarding character and sportsmanship that not only help them succeed on the field of play, but also provide them experiences that allow them to become productive citizens and adults. I encourage you to continue to support our students and recognize their efforts by displaying that positive “**Laker Pride**” for your school, your teams, and your community. We look forward to seeing you at our events this fall.

**Go Lakers!!!**

## Jeff Whitney, Director of Athletics and Activities

Welcome to the 2015-16 school year and another great year of high school athletics and activities. Extra-curricular activities play a very special part in our school's educational program. Our school and community are dedicated to our students' pursuit of excellence and the values taught

by interscholastic competition. The playing field is viewed as an extension of the classroom where lessons about sportsmanship, self-discipline, and perseverance are often learned. In addition, these competitive endeavors offer opportunities for students from diverse backgrounds to learn the value of teamwork, cooperation and mutual respect. We know that qualities such as these will help develop the productive citizens and sound leadership of tomorrow.

As spectators, we too are an important part of this “classroom” and the lessons taught. Unsportsmanlike behavior is counter-productive to the lessons we are trying to teach in interscholastic activities. In addition,

it creates a very uncomfortable environment for those who have come out to support our teams and wish to enjoy the game. Abusive behavior toward opponents, officials, coaches or other fans is not acceptable behavior at a high school event. All too often when adversity arises at a high school experience the reaction is to behave in a negative manner when in fact we should react in a positive manner by cheering for our own team. The constructive actions we reveal and the positive encouragement we give at interscholastic athletic events and other high school activities help create a great atmosphere and one that our students and community can be proud to be a part of. With this in mind, it is essential that we serve as positive examples for our student body. Officials, coaches, and student athletes will often fall short of perfection; this is to be expected. Adversity is an important part of the interscholastic classroom. When we embrace it as a positive experience we can make it a great learning opportunity for our student-athletes. Enjoy the contests scheduled this season -- our students and coaches, as well as our visiting officials, have worked extremely hard to give their very best performance.

**Go Lakers!!!**

# Camdenton R-III School District

*Everyone Learning Every Day*

PO Box 1409  
Camdenton, MO 65020-1409  
Phone: 573-346-9213 Fax: 573-346-9211

**Superintendent**  
Tim Hadfield, Ed.D.

**Assistant Superintendents**  
Julie Dill, Ed.D.  
Ryan Neal, Ed.D.

Dear Patrons,

On the pages that follow, you will be introduced to the greatest resources of the Camdenton R-III School District, our students and staff. Our students are dedicated to the activities in which they participate and strive to represent our district in a positive manner. Our students are supported by skilled coaches, directors, and sponsors. These dedicated staff members not only teach the necessary skills of the activities they promote, they also instill life-long values. These efforts assist us on our path to meet our vision of *"Everyone Learning Every Day"*.

Camdenton is known as one of the premier school districts in the state of Missouri. We are fortunate to have first-class facilities, thanks to the support of our patrons. Our district is ready to surpass last year's accomplishments this school term whether it be on the field, on the court, or in the classroom. **"Purple Pride"** runs deep in our community and we thank you for your support of our students and staff.

Please continue to support our students and sponsors by displaying positive Laker Pride. Your example assists our students to continue the proud traditions of **"Laker Nation"**. Our entire school community encourages you to enjoy our activities. We look forward to cheering with you to support our amazing students.

It's a Great Day to be a Laker!

Tim Hadfield, Superintendent

# Pride of the Lake Marching Band

The program for the 2015 Pride of the Lake Marching Band is entitled **Coronation**. The music is taken from the motion picture *Stardust*, composed by Ilan Eshkeri, and from *Merry Mount Suite*, by Howard Hanson. This presentation will depict the elegance and splendor of royalty, with a hint of the mysterious and magical. The show is a highly energetic, emotional journey through four movements. The music is triumphant, light-hearted, moody, frantic, and joyful.

This season, the band will once again travel beyond the borders of Missouri to compete. Our first contest takes us to **Austin Peay University in Clarksville, Tennessee, for a Bands of America**

**Regional Championship**. We will then be returning to the **Pride of the Ozarks Festival in Ozark, Missouri**, and the **Broken Arrow Invitational in Broken Arrow, Oklahoma**. The band closes its competitive season with the **Bands of America Super Regional at the Edward Jones Dome in St. Louis**. This competition has grown in the last several years to become one of the biggest marching band festivals in the nation.

In April of 2016, the Pride of the Lake will travel to Washington D.C. to march in the nationally televised Cherry Blossom Festival Parade. This is a prestigious invitation, and we are proud to represent both Camdenton and Missouri in this tremendous honor.

The Pride of the Lake Marching Band is under the direction of Paul Baur. The assistant directors are Mike Fenn, Amanda Fall, and Alisha Baur. Our color guard directors are Tim Roettgen, Chris Garstang, and Kayla Paterson. Our percussion techs are Aaron Short and Tom Pannullo. Our music and visual design team includes Wes Cartwright, Darren Davis, Adam Wiencken, and William Pitts. Camp staff includes Connor Uberroth and Taylor Hughes. We would also like to thank the contribution of Steve Eubanks, former director of bands at Jefferson City High School, as he works toward his doctoral degree in music education.

# Laker Football

What does a Laker believe? First and foremost, a Laker believes in his teammates. He also believes in carrying on the tradition set in motion over 40 years ago. And finally, a Laker believes that each fall brings an opportunity to fulfill the dream.....the dream of a STATE CHAMPIONSHIP! This year is no different. With each season comes a mixture of seasoned veterans and young talent. This year's group is focused and on a mission. Last year's group met a talented team from Columbia that eventually won the Class 5 State Championship. In the end, the Lakers added another Conference Championship to the trophy case. In addition, a few team records were broken. The Lakers ask a lot from our running backs and last year was no different. Josh Martin was our work horse and he answered the call all season long. Josh, with the HOGS leading the way, was able to amass 2,506 yards of rushing and 351 carries, posting 7.1 yards per carry. He also set the single game record against Joplin with 330 yards. Needless to say, he will be missed. Not to fear though.... as you will read later, the Lakers simply reload. One final important piece of information: the varsity staff welcomes coach Tim McDuffey to the staff this year. Coach McDuffey has spent the past five years coaching the middle school and freshman squads. The staff is excited to have him on board at the varsity level. McDuffey graduated from Camdenon in 1987 and was part of the 1986 State Championship football team. With the addition of Coach McDuffey, the Laker staff has 138 total years of football coaching experience.

Let's take a look at this year's Laker athletes. Where should we begin? With the HOGS, of course! The lone returning starter is Parker Pitts. He was an All-State selection at the guard position last year. Our senior HOGS will be relied on heavily to step in and fill the vacated spots. Seniors Louis Leonarduzzi, Cody Roberts, Kody Helms, Kyle Snyder, and Bailey Parrish are ready to step up and provide leadership to pave the way to the end zone on Friday nights. Juniors Wyatt Danuser, Dylan Kelly, and Zach Howery will all be competing for an opportunity to contribute on game nights. The junior varsity offensive line includes sophomores Josh Semau, Connor Whitney, Wes Buckner, Harrison Brownell, Sebastian Jacoby, Grant Norton, Randall Johnisee, Jake Scarey, and Charlie Eblen. This group of sophomores has a lot of depth at this position. Monday nights for the JV squad will be exciting to watch this year.

The running back position looks to be a multi-headed squadron this year. Expect to see seniors Carter Williams, Zach Endsley, Josh Keys, and Brett Kellock carry the load at the running back position.

Don't let the size of junior Zach Wise fool you; he is quick and fast and will add some needed depth at this position as the year moves along. Sophomores Jay Griffin and Todd Simpson will be steadily improving throughout the year and it should not be a surprise to see either of these two getting some carries on the field later in the season. Sophomores Bo Shore, Winton Neal, Corey Eskridge, and Shannon Rhoades will see plenty of action on Monday nights.

Our receiving corps, which is made up of our split ends, slot backs and tight ends, bring back the most experience on offense. Seniors Michael Terry, Michael Hake, Jacob Hilton, and Bryce Murray, along with junior Parker Stidham and sophomore Jacob Hill, will be looking to get past the defenders on the deep ball this year. Juniors Austin Stamper, Kyle Diebold, and Ryan Smythe will compete for their chance to play under the lights of Bob Shore Stadium. Sophomores Jackson Ezard, Jesse Walker, Boston Hauser, Brandt Arnold, Brady Kopiske, Bryce Metcalf, Alex Amsberg, Seth Harris, and Matt Lawson will fill out the JV lineup for Monday nights.

Finally, we take a look at the play caller, the quarterback. Junior Dyllan Decker will move from the wide receiver spot to take control of our offensive attack. Senior Murray has plenty of JV experience from last year and may see some snaps this year. Sophomore Isaiah Lumley will lead the JV team on Monday nights.

The Laker defense takes pride in our hard-hitting, attacking defensive style. You can expect that the Purple Haze will swarm the opponents and set the tone for a very physical game. The Haze will bring back four starters from last year -- Keys, Stidham, Pitts, and Hake. The defensive line will anchor our defense. Keys, Pitts, Helms, Stidham, Snyder, Danuser, and Brandon Goodman should all see action on Friday nights as we like to keep those guys fresh and hungry. Our JV defensive line players will include Holden Garmany,

Jacoby, Brownell, Joel Ollison, Jesus Ramirez, Johnisee, Buckner, Howery, Holden Looney, Scarey, Norton, Semau, Eblen and Whitney.

Senior Hilton, junior Diebold and sophomores Griffin, Simpson, Walker, and Shore

will put pressure on the quarterback from the defensive end position.

The linebacking corps will see a new group this year. They do have plenty of experience from the JV level, but they will need to step up the intensity for Friday nights. Seniors Jordan Licardie, Trevor Smith, Ethan Walters, and Kellock will all compete for some playing time. Sophomores Neal, Rhoades, and Michael Ledbetter will see plenty of action on Mondays and also contribute on our special teams. The outside linebackers will have seniors Ethan Pineda, Riley Shriver, and Williams, junior Stamper and sophomore Ezard stopping the run first and then getting in passing lanes on passing situations.

Stopping the pass is the main priority for our defensive backfield. Within our conference, we will see plenty of pass-happy, air-it-out offenses. This group should get their share of opportunities to snag an interception. Seniors Alec Burris, Murray, Terry, Corey Ginnings, and Hake will be responsible for stopping the long ball. Juniors Wise and Smythe will look to compete for a starting spot as the season moves along. Sophomores Hill, Matt Lawson, Amsberg, Zachery Malone, Harris, Arnold, Will Morgan, and Slater Massey will see plenty of action on Monday nights.

Our kicking duties will lay on the shoulders of senior Hake. Hake was an accurate kicker for our JV

squad last year. Terry returns as a senior to handle our punting situations.

Our managers this year will be senior Mikey Buscher, sophomore Avery Brownell, and freshman Matthew Payne. These three gentlemen are in charge of keeping our players hydrated, fixing equipment issues, and an assortment of other behind-the-scenes duties. Our managers have always played a big role in the success of our team.

This year's schedule will look very familiar. Since the inception of the nine-game regular season a few years ago, our schedule has not changed. The only change will be whether we play at home or away. This year we will have five home games and four away games. We start off with

our Jamboree. We will travel to Columbia this year to face Hickman, Rockbridge and Battle. We then return home for our week one opponent, Hillcrest. Hillcrest is always a question mark for the Lakers. They usually have good speed and skill players. The question is whether they will depend on the pass or the run. Week two

will see the Zizzers from West Plains travel to Camdenton. West Plains had tremendous success last year and was a Co-Conference Champion. The Lakers will look to avenge the loss from last year on our home field. For week three, the Lakers travel to rival Lebanon. Anyone who has followed Laker Football the past seven years knows you can throw out the records for this game. Both teams come out fired up and it is always a great game. The Kickapoo Chiefs will travel to Bob Shore Stadium for week four. The Lakers look to top the Chiefs after last year's loss. The Lakers will then travel to Parkview for week five. Week six will be our homecoming game. The Lakers will host the Rolla Bulldogs. This is always a great game due to the large homecoming crowd we see every year. Week seven, the Lakers travel to longtime rival Waynesville. Waynesville has a new head coach this year. The Lakers will have to prepare for a different style offense but it will still be Waynesville! Week eight will see the Lakers travel to Joplin. This has traditionally been a high-scoring affair. Joplin is not afraid to throw the ball deep. Our season finale will have the Glendale Falcons traveling to Bob Shore Stadium. The Lakers always set our goals on post-season play. Week ten is the first round of District play. The top two seeds will get a bye while the other four teams play the first round. The following Friday is the District semi-final and the District Championship will follow on the next Friday. With a number one seed, the Lakers could host all District games.

The coaching staff would like to thank all of the parents. You dedicate your time and efforts to enable your child to be part of the Laker family. You, too, are part of that family. Without your support, our program would not be where it is today. To all the Laker faithful, we look forward to seeing you each Friday night. The support for Laker football has always been the best in the state. Once again, thank you.

**GO LAKERS and.....GO HOGS!!!!**

# Laker Seniors

## #2 Alec Burris

"It's been a fun ride."

## #5 Nate Paschel

"People always say your high school years go by so fast and it's true. I didn't take it as seriously as I should. I remember my sophomore year, standing on the sidelines. When my junior year came along I didn't realize that my responsibilities were so big. I figured it'd be easy but it wasn't. I practiced and practiced. I pushed myself each day to do better. Still to this day I push myself. I didn't want to just be an average kicker.

I wanted to be better than average so I gave myself goals. My best memory was the Homecoming game against Waynesville when I kicked the game-winning field goal."

## #9 Bryce Murray

"I remember when I was nine years old and Dyllan Decker threw me a long pass for a touchdown. Now that I am going to be a senior practicing for football it brought back memories when Dyllan was throwing me passes. I just can't wait for the season to start."

## #13 Michael Terry

"I remember coming into Camdenton High School football hyped like no other --- seeing so many talented athletes year after year; making all of the memorable moments leading to idols and legends in my eyes. All I ever wanted was to just simply be a part of the Camdenton Lakers, and now that I am, I'm going to make the most of it and make my town proud."

## #23 Ethen Pineda

"My experience with football has become something I will never forget. This team is my family."

## #26 Cory Ginnings

"Growing up looking up to two older brothers with a State ring, Laker Football has been a priority. Senior year has come too fast and I couldn't have asked for a better group of brothers to play with."

## #28 Michael Hake

"I fully believe our team can compete for the State title. I and the rest of the team are super jacked to play this year. Camdenton Laker Football has meant so much to me these past two years. There is only one game I care about -- that is against Battle. Playing in the backfield with my brothers is all I could ask for."

## #31 Jakob Hilton

"When I moved here from Macks Creek I first felt like an outsider. When I joined football I had no idea what it was like. Everyone took me in and helped me with everything. There is no greater feeling than to be a part of a brotherhood."

## #33 Ethan Walters

"This is our last year playing football for Camdenton. It's crazy to think we were playing football as seventh graders and now we are seniors. Camdenton Football has always been a traditional and brotherhood team since day one -- that's what I have liked about it. Football is fun!"

## #34 Jordan Licardie

"My experiences since the fifth grade playing football, to my senior year, have been the best years of my life. I always looked up to the older guys in the black jerseys (starting defense). I'm finally in that category. I LOVE DEFENSE. It's all I look forward to every day in practice.

One of my favorite moments was my junior year in the Jamboree playing linebacker vs. Eldon, I believe. My memory is of one play, the very first play I was in, meeting the running back and blowing him up. Seeing my teammates and fans cheering as I got so pumped from that point on meant the world to me. I have so much love and so much passion for this sport. And to be a part of this brotherhood and this team is such a blessing. After high school I hope for a chance to continue playing but, if not, I plan to join the service. I have loved every season I've played here at Camdenton. And I hope to make my senior year the most memorable."

## #36 Trevor Smith

"Laker Football has been a great experience that has taught me many things and allowed me to meet some great people."

### #45 Carter Williams

“My experience as a Laker has truly made an impact on my life. Starting from sophomore year to senior year, the bond with my brothers-in-arms has created a whole new family. Every year we add to our family and the brotherhood grows closer. To my brothers for life: ‘The right to be a Laker is earned, not given!’”

### #66 Kody Helms

“There’s a lot that can be said about football. The camaraderie, the team bonding, the trials; but there’s one thing I’ve learned after several years of football from my childhood to the present... FOOTBALL IS FUN.”

### #51 Kyle Snyder

“I remember when I jumped offside vs. Glendale, and Coach Bayless ripped me a new one. Ever since then, I make sure I don’t jump offside and follow his three rules: 1) Go, 2) Do your job, 3) Smash their guts out.”

### #73 Parker Pitts

“Football is more than just a game in my life, it is what I have grown up around my whole life. The experiences I have had on the field will follow me for the rest of my life.”

### #53 Louis Leonarduzzi

“Football to me is more than just a sport. It’s a way to bond with your brothers on and off the field. Football is fun.”

### #77 Bailey Parish

“Senior year is finally here. I remember when I was suiting up for the first time in fifth grade. A lot has changed since then, but my love for football never will. These men on the field are my brothers and we’ll fight alongside each other until we’re where we need to be. If you don’t work... you don’t eat.”

### #54 Brandon Goodman

“Football is an experience that changes you for the better.”

### #91 Josh Keys

“Because I’ve been playing since fifth grade, Laker Football is a huge part of me. I literally bleed purple and gold. So, finishing my last year of Laker Football is closing a huge chapter of my life. On the team, we bond until we’re family and then we’re finally a team ready to play ball because ball is life in Camdenton. The first rule of Laker

Football is ‘go’; that one word indicates how we play ball - with extreme physicality and heart. With all the values football has given me, I’ll be a much better person. Also, you have to remember the rules 1) Go!!!, 2) Do your job, 3) Pursue the ball, 4) Smash their guts out, then finally: Football is fun.”

*Erin Gainey-Cowan and Lilli Shields*

My name is Erin Gainey-Cowan and I am the new varsity cheerleading coach. My assistant coach is Lilli Shields. I have been with the program for four years and am excited to begin my fifth year as the varsity coach. I am a 2000 graduate of Camdenton and bleed purple and gold. I was a Camdenton cheerleader for six years and named All American my senior year. I'm so excited to share my knowledge and passion for the sport. Expectations are high and I want these girls to be the best. I will work hard and strive for perfection.

The Laker Cheerleaders attended the National Cheerleaders Association (NCA) summer camp. They learned new cheers,

chants, and stunts. The staff really pushed the girls to try new things and helped them prepare for competition. I am extremely impressed with the girls' drive to constantly practice on tumbling and stunts. They have worked hard and I am extremely proud of them.

We are preparing for the NCA Midwest Open Championship held in St. Charles, Missouri, in January. This requires several extra hours of work and I want to thank the parents for their support. It takes a lot of dedication from all of us and I am looking forward to watching the girls perform.

I am unbelievably excited for this year. I'm looking forward to working with the girls and making it the best year yet. Again, extreme thanks to the parents, booster club, and school district for all their support. ***Cheers!! Go Lakers!!!***

# Lady Laker Volleyball

*"I am very enthusiastic about the upcoming season for the Lady Lakers. We return five lettermen from last season - Hanna Lowther (sr.), Daphne Dinsdale (jr.), Jordan Wolfe (jr.), Mariah Hadfield (jr.), and Tegan Shockley (jr.). Joining the varsity squad will be senior Katherine Lucas. Blair Kurtz, Bailey McElyea, and Sydney Woods will also contribute some time as juniors and sophomore Abbie Miller will be seeing some time as a setter. The varsity squad knows what is expected from them in order to be one of the best teams in the conference and the area. Competing in the Ozark Conference is tough year in and year out, but this group is ready to take on that challenge.*

*The Lakers return two first team All-Ozark Conference and All-Region players in Wolfe and Dinsdale. These two will be a big part of our success this year. They are both solid athletes who have been playing at the varsity level for most of their high school careers. They push each other daily and set the bar really high for our team.*

*The group of returners, mixed with the newcomers, is going to make for an exciting season. The players in the program and the staff have put in a lot of physical work and effort during the off-season and have been focusing on instilling competitiveness in everything we do both on and off the court. We competed really well last season in most matches and I expect us to win those close matches this year. The off-season we put in this past spring and summer has us all excited for what the season has in store.*

*Junior varsity coach Lindsey Wyatt and freshman coach Stacy Asante return to the program this year. Both do an excellent job of preparing our athletes to be successful at the next level. Their knowledge and enthusiasm for the game are contagious and the girls will benefit and grow from that throughout the season.*

*The Camdenton Volleyball program would like to thank the parents, fans, community, and school district for their support and encouragement. 2015 looks to be an exciting year for the Lady Lakers and we hope to see you at the games," states Coach Walker.*

**Freshman Coach**  
Stacy Asante

**Head Coach**  
Austin Walker

**Junior Varsity Coach**  
Lindsey (Hale) Wyatt

# Lady Laker Volleyball Seniors

## #4 Hanna Lowther

“I have always sworn to myself that I wouldn't say this when it came my turn to write this, but there really aren't any other words to explain how I feel; I truly cannot believe it's already my senior year! I'm extremely thankful for this program because it has helped prepare me for the next chapter of my life. Next year I plan to attend University of Missouri to continue a three generation family tradition of being a Tiger! Last year my season was unfortunately cut short due to a knee injury, and I am beyond excited to get back on the court with my amazing teammates! I am so excited to finish out my high school career with this group of girls! I seriously couldn't ask for anyone better! We are all super close and also super

competitive, which I love! We are there for each other not only through the endless amounts of laughs but also the tears. We are all looking forward to having a successful season this year! I still feel like that little girl in the stands watching the high school girls play and thinking that they were celebrities. They inspired me to play. To think that little girls now look up to my teammates and I is unbelievable! I hope that I have inspired girls to play volleyball with this outstanding program.”

## #10 Katherine Lucas

“Looking back on when I first started playing volleyball, I remember thinking that my senior year seemed so far away, but now it's finally here. Through the years I've made a lot of great friends and too many great memories to count. Our team is like a family and we've won and lost together; we've learned how important it is to fake it till you make it. When one person gets down on themselves, they could bring the whole game down with them. So it's important to always encourage and help each other. At practice we give it our all so we can give it our all in games. My goal is to make this last season the best one yet!”

# Soccer 2015 EXCELLENCE!

The Laker Soccer program would like to say thank you to all those who support it both during the season and in the off-season. We would not be where we are today without the support, dedication, and hard work of our administrators, numerous parents, community supporters, booster club, volunteers, and students. The Camdenton Laker Soccer program, entering its 17th season, continues to establish itself among the Conference and the newly formed District. This is all possible in large part because of the time and effort put in by so many people who you will not see roaming the sidelines or playing on the field during a match.

Our main focus this year will be **"Excellence"**. This not only applies to on-the-field play, but to all aspects of our team. This phrase, and belief, will be included in the way we conduct ourselves on a day-to-day basis. Both at practices and games, we will expect nothing less. In the classroom and in the community, we will strive to excel. In our personal lives in regard to relationships and achievements, we will aim for this to be our focus. Our team will work each day not only on soccer and the pursuit of a District title, but also on making quality decisions and life choices that will make us successful young men.

Last season taught everyone in the program lessons on hard work, dedication, and togetherness. The team went 14-11 and placed as the District runner-up. The last game of the season was a well-fought match vs Helias, one that ended in sudden death overtime. We believe that our lessons learned will translate into positives on the field this season and good results will be the outcome. This year's team looks very different from previous seasons and the players are ready to play and improve with each game.

The seniors from last season's team will definitely be missed. Most of them had spent four years in the program and have made a huge impact on not only last season, but on the entire program. They leave some huge shoes to fill and will definitely be missed both in the games and in practice.

This year's senior class is quite small in comparison to last season. It includes Brendan (Bobo) Galbreath, Will Pierce, Cody Meyers, Josiah Alkire, Nick Weber, David Schlenfort, and Brendon Harmon. Each one of these seniors has spent a lot of years playing soccer and looking forward to this season. These seniors will be looked on to lead the team in every way possible.

A few underclassmen to watch are juniors Justin Gerdiman, Dustin Moesch, David Prather, and Adam Davies. Corban Johnson, a junior transfer student from Montana, will add some athleticism and experience to the roster. Sophomores Nate Martin and Coleman Baker will also add some depth to the squad.

This year's varsity team returns four starters from last year, which leaves many spots out there to be filled this season by upcoming players of all ages. The competition for those open spots should intensify each practice, drill, and moment on the field. We continue to transition into a new formation this season and look to be a more complete team in doing so. This new style of play fits well with the strengths of our players and brings out the best in their talents to benefit the team as a whole.

The junior varsity had a very successful 2014 season. They finished with a winning record again to make it eight years in a row that that has happened. Much of their success will be counted on to translate at the varsity level this season.

The 2015 season coaching staff looks a bit different than our previous season. Coach Ingold returns as the head coach, while Coach Stuart will serve as the program's goalkeeper coach, and Coach Byington will direct the junior varsity. The new addition to the staff this year is assistant coach Josh Baldwin.

We would love to see you out at a few, if not all, of our games this season. We really look to make some improvements in a few areas and hope to be competitive and ready to compete each night. Districts will be played on our home field this fall, so please

come out and support the Laker Soccer program. We have a very tough schedule this season, but with our focus on **"Excellence", teamwork, and preparation**, we feel as though we will be able to come away with great results.

# Soccer Seniors

**#3 Cody Meyers**

“Being a senior makes me look back on my freshman year and wonder if we were that small and what the seniors that year thought of us.”

**#6 David Schlenfort**

“I remember when coach explained what a

nightmare is. It’s crazy the things your body does after two miles, a nightmare, agility ladders, and passing drills. It hurts so bad! Call me weird, call me crazy, jeez that pain feels amazing. You can feel that you are accomplishing something worthwhile, just by the pain you feel after Hell Week (try outs).”

**#15 Will Pierce**

“Start to finish, beginning to end, young to old, any player who joins the soccer team will become a changed young man. Thinking back to my freshman year, I never expected to be a varsity captain, or to be bitten by a copperhead. The bite gave me a chance to set an example for the underclassmen, simply showing that no matter what, we are always there for each other.

As we join the team, we become brothers, and become part of a close and unique family. In the end, all I want is to make a difference for my family. Something that helps me in this is the quote by the famous philosopher Coach Ingold, ‘Why not?’, so why not make a difference?”

**#20 Brendan Galbreath**

“Soccer has been the best part of my high school experience. I get to play a sport I love and hang out with my teammates and coaches.

A favorite moment was when the whole team was trying to help me score in a varsity game my junior year. I plan to go to college and get an accounting degree or go into the military.”

**#7 Nick Weber**

“The last three seasons seemed to just fly by, now that I am a senior looking back. I hope we come together as a team this year and go far.”

**#12 Brendon Harmon**

“I am pleased with how far I’ve gotten in this sport, but I am never satisfied because I know I can always improve in every way.”

## **EXCELLENCE**

***For us, EXCELLENCE is an aspiration, an attitude, a pursuit, a way of life. Excellence is all of us working together, aspiring to the fullest of our potential, always in pursuit of higher standards, determined to do everything we do somehow better than it has ever been done before. Excellence is found in the caring, trying, and doing. It is our objective, we seek it with dedication, it is the reputation of this TEAM.***

**#17 Josiah Alkire**

“The years here playing soccer have gone too fast, but have also taught me a lot -- to never give up and to always hold yourself to the highest standards. Soccer doesn’t just teach you work ethics but gives you awesome friendships with the team and the coaches. The team has always stuck together whether we win or lose.”

## Laker Athletic Boosters, Inc., Benefitting the Camdenton R-III Athletic Programs

The following Gold and Purple Sponsors' contributions benefit every Camdenton Laker Student Athlete by providing needs such as equipment, facilities, special programs, and improvements. Contributions from sponsors like these, along with the Camdenton Athletic Booster Club, have exceeded \$750,000 from 1987 through 2014. On behalf of the Camdenton Athletic Boosters, we would like to say THANKS to all of our sponsors. If anyone would like information about the Laker Invitational Golf Tournament, or about being on our sponsor list, please contact Jason Hulett at 346-7272 or John Blair at 346-2235.

## LAKER CROSS COUNTRY - Are You Crazy?!

Soon to be gone are the long hot summer days as we start to transition into my favorite season of the year. No, I don't mean Autumn - I mean Cross Country season. While I prep for my 14th season, the kids are prepping as well. We have been at it since June, trying to build a base for our upcoming campaign, but still need to prepare for one more thing -- the questions that many other kids ask, like: Are you Crazy? Why would you want to run so much? Do you really do 8-10 mile training runs? Our answer is simply that we do it because we love running. We love running in the heat, on trails, and in torrential downpours. We love the fellowship we share every day and how running distance makes us feel powerful. We hope to have a successful year as we have several key returners to the squad, so let's take a look at the 2015 edition of the Laker XC teams.

The girls' team should be pretty strong this year as we return five out of our top six from last year. It will be difficult to replace our lone senior from last year, but I think the remaining girls have gotten stronger throughout the summer. The girls' team is led by a host of returning seniors in Tessa Weber, Charlotte Blair, Stefani Baker, Madison Steingrubey, Hannah D'Arcy, and Maddie Morse. Tessa is a two-time All-Conference and All-District

performer and was All-State her freshman year. Her last two seasons were cut short due to injury, but she is determined to put that all behind her and have a great senior season. Charlotte had a great summer off-season and is in great shape. She was our number three runner last year and I really have high expectations for her as she is a tough competitor. Stefani was a transfer last year and has a solid year under her belt (we really don't wear belts). She improved much last year and had a strong off-season. I think she will be one of our most improved runners. Madison returns for just her second year but was a big help to the team at the end of last year at Conference and Districts. Maddie overcame some struggles in her first year and knows what it will take to help her teammates. Hannah and Maddie did not run last year, but they will help push our other runners to become better. Our other varsity returnee from last year is junior Raleigh Johns. Raleigh's first year last year was a good one as she showed great improvement in just a few months. Several newcomers this year include Erika Nevins, Alexis Rosack, and Micah Reth. I believe we will have a solid team this year and, once again, look to make an impact at both Conference and Districts.

The boys' team also returns several

runners from last year, including two seniors. Blake Jesse was our leading runner last year and showed great improvement. Unfortunately, he had a midseason injury that really kept him from reaching his true potential. Blake is a hard worker and it should pay off for him this year. Juniors Nick Salsman and Coleman Roberts are the other returnees from last year's squad. Nick had some quality races last year and finished his track season as one of our better 800m runners. I look for him to have a greater impact this year. Coleman has had some steady improvement and, as a junior, the expectations are much higher. The boys' team will look to get some help from a couple of newcomers in freshmen Garrett Mason, Triston Stark, and Ethan Euler. Triston and Garrett were top runners from the middle school and I look for them to push some of the older runners.

Cross country is a tough but rewarding sport. I love working with these great kids; we are like one big family. We hope you can come out and support them when/if you get a chance. The 12th Annual Laker Invitational is October 3rd at 9 am at Ha Ha Tonka State Park. We will also be hosting the state Sectional meet on Oct. 31st. If you have never seen a XC meet, this is a great venue with some of the best teams and runners in the state. Come Watch!

**XC Seniors**

**Stefani Baker**

“I like running, and in cross country, we do that. It is fun to destroy the competition and make my teammates tremble at my greatness. Of course, I am joking because in cross country you learn humility. The best part of cross country is the team. Running by yourself is boring. When you are with your friends you get to share memories of discovering tunnels, picking up stray kitties, and running away from hobos that decided to chase you. Cross country is good.... real good!”

**Charlotte Blair**

*“The real purpose of running isn’t to win a race, it’s to test the limits of the human heart.”* ~ Bill Bowerman

“Currently I’ve got my eye on medaling in every race, but there is more to cross country than just competing. The strength and friends that I have acquired over the past four years will benefit me more than a shiny medal. I can count on two things: I have great companions to laugh with and I will keep my eyes forward with my feet pounding the ground when times get rough. I will forever remember these days.”

**Hannah D’Arcy**

“I have always enjoyed running, so for my senior year I decided it was time to start running competitively. At first, it was just running, but then it became so much more than that. Cross country is a family. Even though it is only my first year, everyone is so supportive and encouraging. I am so

excited for this season and to watch me and my teammates grow!”

**Blake Jesse**

“I remember when I first signed up for cross country and had no idea what it was, besides the fact it mean running. I don’t know why I signed up. I didn’t even enjoy running. Now, I look back and see it as one of the best decisions of my life. Cross country means everything to me. Upon my senior year, I reflect on my past seasons. I realize my most memorable high school moments revolve around cross country and my teammates. From my first year in the program, compared to now, cross country has taught me many things, like dedication, leadership, hard work, and sacrifice. In this final high school cross country season, I just hope to run fast and have a great final senior year with my team. State, here I come!”

**Madison Morse**

“I can remember my first cross country practice my sophomore year. Little did I know how much work, discipline, and dedication it takes to stick with running or any sport for that matter and try to continually improve yourself. I would like to thank my amazing and very supportive teammates, all of whom are family to me now, for not allowing me to ever give up, no matter how hard it is. I can’t wait to see what we will accomplish this season! Good luck to you all.”

**Maddie Steingrubey**

“I never imagined myself running cross country in a million years, but here I am and I’m so glad I’m doing it. I love the team; we’re all pretty much one big happy family and I wasn’t used to that until I joined the team. I mean, we have team dinners every Friday night and not a lot

of teams can say they do that. My favorite memory would have to be the team bonfire my junior year where we played capture the flag with glow sticks and bombarded everyone with silly string; it was a night worth remembering. It’s sad to think that this will be my last year and I can say I’ve enjoyed every bit of it.”

**Tessa Weber**

“I first started cross country in seventh grade and have stuck with the sport I have fallen in love with all these years. Running has been one of the best things that has ever happened to me. It has taught me to work hard at what you want to accomplish and it will pay off. My favorite moment was finishing the State meet my freshman year and medaling. It was the best feeling in the world; I had worked for it my whole season -- to be able to stand up on that podium and say I did this. The team is my constant support along with my amazing coaches. I could not do it without my team. Being my senior year, I hope to get to State and medal again. After high school, I plan on running/competing for the college I choose. Running and cross country have taught me countless things about myself and how much hard work can do for you. I don’t know where I would be without this sport.”

# 2015 LADY LAKER SOFTBALL

The Camdenton Softball team finished the 2014 season with a record of 15-12 and a 6-3 finish in the Ozark Conference. Despite losing strong hitter and varsity pitcher Kelly Uthe (who was All-Conference and second team All-District as a freshman) due to an injury, we began the 2014 softball season 5-0. We showed good offense, some really good defense, and strong pitching from our other varsity pitcher, Kylee Compton. Then at West Plains, Kylee suffered a compound fracture of her ankle and was lost for the season; she had been All-Conference and 2nd team All-District as a freshman and hit cleanup for us. At this point-- early in the season -- we had lost both of our very good starting varsity pitchers and the young ladies who hit three and four in the order. With the loss of these two power pitchers, we turned to our offense and defense and the drop-ball pitching of sophomore Jenna Sweatt and freshman Lyndsay Boots. Our team's strong defense, aggressive base running and hitting, and exciting style of play helped us enjoy a successful season. We are very lucky to have so many athletic and hardworking young ladies on our team who are so dedicated to the sport and who not only play high school softball, but play travel ball all summer as well.

We will return seven starters from last year's team and ten varsity letter winners. We also have a tremendously talented group of freshmen coming in to our program this year. Returning this year will be the two young ladies whom we lost last year, in Compton and Uthe. Both of these pitchers are juniors and also play third base and shortstop, respectively. We also return the two young Lady Lakers who shared catching duties for us, senior Kelsei Davis (All-Conference and 2nd team All-District), who hit over .400 and led us in home runs and RBIs, and sophomore Bailey Miller, who is versatile enough to play any position on the field -- except pitcher. We also return junior first baseman Erin Rasmusson (2nd team All-Conference) who hit over .350 and is one of the best throwing first basemen that I've coached, and junior Krystin Carpenter (first team All-Conference and 1st team All-District), who led the team in assists, hit over .400, led us in runs scored and led the team in steals with 32 stolen bases. Returning senior shortstop Bailey Bilyeu (All-Conference and 2nd team All-District), is a three-year starter and two-year team captain. She possesses very good speed and a strong, accurate arm and hit over .300. The final returning senior, Madison Selby, is

versatile enough to play any of the corner spots in the infield or outfield. She hit over .300, including a clutch home run to help us win the Buffalo tournament for the second straight year. In the outfield, we return sophomore Jillian Selander (named All-Conference and 2nd team All-District as a freshman), who ran down fly balls all season to the tune of 52 put-outs and recorded five assists as well, while only committing one error. The other returning letter winner is sophomore pitcher Boots, who improved throughout the season with the experience of pitching on the varsity level.

Our incoming class is very strong with the move-in of senior catcher/infielder Madison "Moose" Gailey and several freshmen young ladies who enter the upcoming season with a wealth of experience from a very strong travel ball program. Faythe Rakes looks to be a very strong catcher with a good bat and Haile Farris has a big bat and gives us pitching depth. Shelby Webster can play the corners and led our team this summer in home runs. Emma Uthe and Sidney Jones are strong offensive additions that are very versatile and, along with Darby Roam, will add speed to an already fast team. Haley Wheat will add depth to our

infield. Senior Morgan King, juniors Sydney Cerra and Claudia Rogers, and freshmen Autumn Reeves and Dakota Weaver will add competition to the mix and work to make our team that much stronger.

All in all, the outlook for the 2015 softball season is very bright. I am excited that hard-working Coach Davis will be returning for her fifth season as the junior varsity coach and that we have added a new assistant in Tyler Dinsdale. Dinsdale, who has a wealth of knowledge and experience, is an enthusiastic addition to the coaching staff. We are also lucky to have a volunteer assistant this season in Danielle Lutz. Lutz played softball at Camdenton High School and was a very successful pitcher in the program before heading to college and pitching for the Central Methodist Eagles. The 2015 edition of the Camdenton Softball team does face several challenges, including the ability to remain injury free -- something we haven't done in the last four years -- and being able to compete in the very tough Ozark Conference. These are challenges that our young ladies and coaching staff are looking forward to embracing and overcoming with lots of hard work, talent, and luck.

# LADY LAKER SOFTBALL SENIORS

## **Bailey Bilyeu**

“Throughout my high school softball experience I have learned some things that will stay with me forever. First, you can't sweat the little things. You have to find the drive to work that much harder in order to conquer whatever you are struggling with. Batting has always been something I have to push myself to work at but my teammates are always right there cheering me on to get better. Secondly, and most importantly, I have gained the sense of true sisterhood and trust. As a player you cannot rely on yourself to win a game, it takes nine players to achieve the win. You have to trust and have confidence in each and every girl on the field. Playing with most of these girls from the time that we were learning to throw to now, when we are getting signed off to college, has been the ultimate experience! Seeing each of them grow not only as players but into amazing individuals has been incredible. All of you have helped me grow on and off the field and I want to thank you and I will forever hold the Laker Softball team close to my heart.”

## **Kelsei Davis**

“Playing softball throughout my life has taught me many things...dedication, teamwork, competitiveness, and how to learn from your mistakes. Softball has meant a lot to me because it is just enjoyable for me to play or even to watch. My favorite memory was during our jamboree against Sedalia where my first and second at-bats were home runs! The environment of every team that I have played on has just made the game very fun. I have to thank my teammates for making all four years of high school softball very enjoyable. Also, Coach Calbert for being so caring a coach on and off the field. But most of all thank you to my mom and dad for driving me to and from practice every week and driving all over the state to tournaments so I could be the softball player I am today!”

## **Madison Galey**

“I am so grateful for all the opportunities that I have had while playing softball throughout the years and how much it has impacted me. I remember the day of my first practice and my

coach nailed me in the face with the ball and I thought that I would never come back, but thanks to my parents encouragement (dragging me out of the car) it became a huge part of my life and it has created moments that I will never forget. I love the bond that I have already created with my teammates and I am so excited to see what we can accomplish this year with our talent and dedication. There is so much passion and drive on this team that I have no doubt in my mind that we will accomplish anything that we set our minds to. I am so thankful for the support that I have had from my parents and coaches throughout the years to push me to become a better player. I can't wait for the adventures and memories I get to make senior year with my team; it's going to be unforgettable.”

## **Morgan King**

“Throughout the four years playing with the Camdenton High School Softball team, I've learned a few things. I've learned that you have to work hard, work together, and to keep your eye on the ball no matter what the situation is. I would like to thank my coaches, family, and friends for pushing me to be the best that I can be on and off the field.”

## **Madison Selby**

“These past three years flew by much faster than I thought they would and I can't believe it's my senior year already. I'm going to miss everything about it. Softball, to me, is more than a sport; it's a passion of mine. I wouldn't trade any minute of being on the field for anything. One of my greatest memories was when we were playing at the Buffalo tournament in the championship game against Iberia and I hit my first home run in the high school season. We ended up winning the game and the tournament two years running and we all hope to go back and win again this year. Lastly, I'd like to thank my teammates who are like family to me. I love each and every one of you all and I'll miss you greatly. I'd also like to thank my parents who got me into this sport, who have always had my back, and love me unconditionally.”

The Laker Dance team is excited about the upcoming year! They have several fabulous dance routines to showcase! This summer, the Laker Dance team attended a National Dance Alliance (NDA) camp where they learned a variety of routines to perform at football and basketball games. During camp, they earned a blue “Superior” ribbon for their team dance. The team also received an invitation to the NDA National Championships, as well as many ribbons earned for individual performances. They are looking forward to an outstanding season.

### ***Dance Team Coaches:***

# 2015 TENNIS TEAM

## Exciting and Entertaining!

The 2015 Lady Laker Tennis team will return three varsity players with extensive match experience. Seniors Maisy Borden, Carleigh Emanuel and Jazmine Aufdenkamp will lead the topside of the varsity line-up this season and will be looked upon for guidance from the new members of the varsity squad. These three outstanding seniors have earned numerous victories during their tenure as Lady Laker varsity tennis players. Anchoring the mid line-up of the varsity Lakers will be sophomore Carter Demark, sophomore Olivia Kline and junior Adriana Velardi. These players will need to be extremely consistent from the baseline in order to gain key singles match victories during the 2015 season. Rounding out the preliminary varsity line-up will be senior Sara Hamilton and sophomore Tori Risner. The junior varsity will be loaded with sophomore talent this season! With 11 returning sophomores on the team, as well as a few upperclassmen who are new to the crew, the junior varsity should have several competitive matches. The coaching staff, myself and veteran Laker tennis coach Ted Houx, are excited to have yet another solid group of incoming freshmen. These freshmen will have to learn the ins-and-outs of match play quickly, but should have no problem with such outstanding athletes as Brooke Erickson, Hannah Robinson, Olivia Schanuel, Macie Abell and Katie Blackman. Without a doubt, this will be an exciting, as well as entertaining, 2015 Lady Laker Tennis season on the newly resurfaced and repainted hardcourts! We sincerely hope you make it a point to visit the phenomenal on-campus Laker Tennis complex this season and support your Lady Laker Tennis team!

## TENNIS SENIORS

### Jazmine Aufdenkamp

“I can’t believe I’m already writing my senior quote! It seems like yesterday I was walking on to these courts for the first time. These have been the best four years I could ask for. I would like to thank Coach Richey and Coach Houx for putting up with my meltdowns on the courts and teaching me everything I know. I don’t know if I’d be the player I am today without them. I have made so many memories in these last four years that I will never forget. I can’t wait to see what this final season has in store for my team and me. So, senior year---bring it on! Oh wait, almost forgot to also thank my biggest role models, Nigel, FinFin, and Jerry. ;)”

### Maisy Borden

“It’s crazy to look back at how far I’ve come, number 23 to number one! I couldn’t have done it without coaches Richey and Houx, along with Brent, my personal tennis coach, and also Finessa, my partner for my first couple years. She strived for me to be better and was my role model. Tennis is something I’ll never get tired of doing. I get tired of running and flipping, but not tennis. It may not be the Wimbledon Finals or the US Open, but it’s Camdenton Tennis and I’m lovin’ it.”

### Carleigh Emanuel

“I pretty much play tennis to pass the time between ‘One Direction’ concerts. One day I will be so good Harry Styles will pay to play me! p.s. Thanks to Coach Richey and Coach Houx for being awesome.”

### Sara Hamilton

“Wait.....senior year already! It seems like just yesterday I was stepping on to the tennis courts for my first doubles match. Now, I’m starting my last season. Thanks Coach Richey and Coach Houx for helping me play tennis. Let’s make this season the best. Once a Laker always a Laker.”

### Victoria Lebluy

“When Mr. Roettgen asked me what sport I wanted to take, I said tennis. It is something that I want to learn, so I can play in Belgium when I go back. I didn’t know there would be so many people will help me with this sport. I have been here for one week but I’m really excited to discover everything about this city and USA.”

### Jenna Sims

“This is my first year playing tennis and I am excited to see what it entails. So far, I’m enjoying the game a lot and the team is full of awesome girls that I am happy to be playing with. I’m so pumped for this year and ready to have loads of fun as a Lady Laker Tennis player.”

## 2015 Ladies' Golf Team

The Lady Laker Golf Team is coming off a successful match season that provided much experience for returning and new golfers. We finished our match season with an 8-1 winning record. The ladies gained tournament 18-hole experience in tournaments while placing fifth in the Ozark Conference and third in the District Tournament. Amber Wilson was named to the Ozark Conference All-Conference Team and Morgan Righter was Honorable Mention. Wilson and Katie Bird achieved All-District Honors. Wilson, Bird, and Righter moved on from the District Tournament to play in the Sectional Tournament. Wilson moved on to play in the weather-shortened State Tournament and had the best freshman score at the tournament. Providing experience and leadership for our team will be returning senior varsity golfers Bird, Katelyn Bartels, Amber Theobald, and Kelsea DeCook. Returning varsity golfers Wilson and Jennah Schell will also provide good playing experience for our team. Returning veteran golfers and several new golfers will also help us this year as they continue to gain experience as golfers. The Lakers will host the Lady Laker Invitational Tournament at Old Kinderhook again this year and look to have a bigger and more competitive field of teams participating this season as this tournament continues to grow. A very competitive tournament schedule and a busy match season are in store for us. Practice and play will be at our home courses of Lake Valley Country Club and Old Kinderhook,

while also playing some of our matches at other area golf courses. The Lady Laker Golf team appreciates all the area golf courses that allow us to practice, play, and make us feel welcome on their golf courses. Coach Eidson is starting her 15th year at the helm of the Lady Lakers Golf team.

Coach  
Jane Eidson

2010 District Champions  
2010 Ozark Conference Champions  
2010 Undefeated Match Season

**Joni Purvis All-State 2008-10**

### Golf Schedule

9/24	Jeff City/Waynesville/Tolton (K)	H	4:00
9/28	District	Waynesville	TBA
10/5	Sectional	TBA	TBA

### **Katelyn Bartels**

“I could go on and on about everything I’ve learned about technique, focus, and individuality, but what has impacted me the most while playing on this team is the girls. Playing ‘golfball’ would not be nearly as fun (or funny) without my girls and amazing coach. My game has improved immensely, along with my love for the sport, with the help and support from my awesome teammates and their encouragement and inside jokes. The one thing about high school that I wish could last forever would definitely be Lady Laker Golf.”

### **Katie Bird**

“The golf team has always been like a family for me since my freshman year. I will always remember the ‘burb’ rides to our tournaments and laughing during every practice. I am glad I got to be a part of this team during every year of high school.”

### **Kelsea DeCook**

“I have loved serving as a member of the Lady Laker Golf team. From the moment I showed up at practice as the new kid, I have always felt welcomed. We have such a great team of girls who all get along and want to be together, which is all we could ask for. It is sad to see that my final season is here but I know it will be the best one yet!”

### **Amber Theobald**

“I can’t remember a time where I wasn’t laughing at a joke told or a bad shot I hit. If I dared to cry, Coach would make me laugh again. A bad day at school would turn into a good therapy session on the course. Golf teaches values that every person should know -- manners, problem solving, respect, and graciousness. I’m excited to play another year of ‘golfball’ with my family - Lady Lakers!”

## **2015 Golf Team Roster**

### **Seniors**

Katelyn Bartels  
Katie Bird  
Kelsea DeCook  
Amber Theobald

### **Sophomores**

Alyssa Faes  
Brianna Flug  
Faith Kenniston  
Jennah Schell  
Amber Wilson

### **Freshmen**

Alyssa Dittman  
Lydia Halterman  
Emily Hunter  
Brooke Mayer

# “The Laker”

Dr. Paula Brown introduces new Laker mascot created by the middle school. “Last year, with student input, I started working on the question, ‘What is a Laker?’ During the discussions, one young man said, ‘I’m a Laker. I live on the lake and I’m a student at Camdenton, I’m a Laker.’ That started our ideas spinning, realizing that a Laker represents all our students who are athletes, musicians, scientists, singers, scholars, wakeboarders, swimmers, barrel riders, etc. So, after a year of sketching up different looks for the mascot, we knew our mascot would be, king of the lake, look like a teen Poseidon, carry a triton, and would ride in on rolling waves. His hair would be Laker gold and shaped like a wave, he would be muscular, and he would look aggressive. We wanted the mascot to be able to dress in any type of outfit representing our students: football, basketball, baseball, soccer, wrestling, lab coat, wakeboarder, runner, bull rider, academian, or even wear a prom tuxedo.

Over the summer, I started working with a company to build our mascot. I sent them our drawings and they created our vision. The mascot, ‘The Laker’, will be introduced during an upcoming varsity Football game. Future plans are in the works to have a ‘Lakerette’. **Gooooo Lakers!!!!!!**”

Dr. Brown, Dr. Hadfield, “The Laker”, and Dr. Neal

## Preliminary sketches of “The Laker”
