

August 26, 2014

Dear Family,

In Unit 1 we will be setting up reading and writing workshops, discussing expectations, learning to write and proofread responses, learning to find books on the right level, and getting in a solid routine. We will learn many new vocabulary words, such as metacognition, inferences, schema, comprehension, and QAR. It is going to be a busy first few days!

I am looking forward to a great year with your child. I have a wonderful group of kiddos and I am enjoying getting to know them. Thanks for sending such a respectful and fun group! If you have any questions, don't hesitate to email me or leave a message for me to call you.

Julie Dinsdale
