Music Rocks!

5th Grade:

All 5th graders will be expected to bring a recorder to class. A note will be sent home soon with a deadline to purchase one.

Learning to play the recorder is closely related to learning to play the saxophone and the flute. We will learn a variety of genres of music to make it fun and interesting.

6th Grade:

6th graders will be learning more about Orff instruments during 1st quarter. Those wanting to try out for Orff Ensemble must perform his/her audition during class.

Orff practices will be starting in September. All members who make the audi

tion will get a detailed letter to take home.

Why music education?

The Camdenton R-III School District was named one of the "Best Communities for Music Education in America," a title handed out by the National Association of Music Merchants (or NAMM) Foundation (May 15, 2012).

Your son/daughter has the chance to be a part of one of the best music programs in the United States. With enough practice, a student may go on to perform as a vocalist or instrumentalist in a professional setting. Step up to the challenge now!
