

# Curriculum and Instructional Effectiveness

Board Report  
August 14, 2017

# Strategic Goals

## Camdenton Strategic Plan:

- Students will achieve performance in the top 10% statewide on the Annual Performance Report from DESE.
- By the end of each academic year, 90% of students will show at least one year's growth in their communication arts scores.
- Literacy Design Collaborative process will be implemented in grades 9-12. The high school will implement at least two modules during the 2015-2016 school term with additional modules to be completed during future years.

# Areas of Focus

- #1 Curriculum Development--- Unit Planning (all grades)
- #2 Mathematics--- Curriculum/Resources Support (all grades)
- #3 Career Academy--- Continued Support (9-12)
- #4 District Leadership Team--- Continued Support (all buildings)
- #5 Instructional Coach--- Cognitive Coaching and Continued Curriculum Support
