Dogwood Elementary
is some of our student's
NEVERLAND.

It is their escape from the hard
reality that some of them face.

The reality of hurt, hunger,
homelessness, abuse, &
neglect.

That is why: IN DOGWOOD ELEMENTARY

We Let It Go

Because Hakuna Matata
and the **bear necessities**

Will always be our guide To Infinity and Beyond !

*All it takes is faith, trust, and
a little bit of pixie dust*

WHILE WE JUST KEEP SWIMMING
and whistle while we work !

And we know that

LIFE IS BETTER UNDER THE SEA

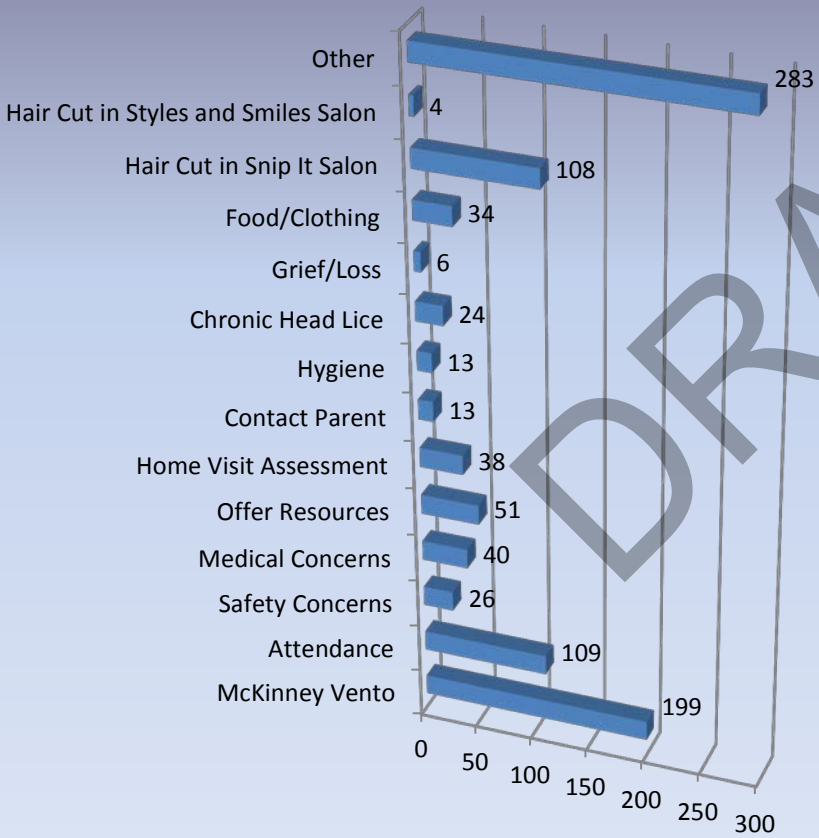

Because in this school, we do

Happily Ever After!

May The Force Be With You!
