

**Camdenton R-III School District
Drug Testing Consent Form
2012-13**

I have read and completely understand the district's policy and procedures regarding the Camdenton R-III School District student drug testing program.

I hereby give consent for my student to participate in the drug testing program at Camdenton High School. I understand that my student will be placed in the pool for random drug testing and that the Camdenton R-III School District will pay for all random drug tests if my student is selected.

I understand that students who wish to drop out of the drug testing pool must first have their parent/guardian come to the school and meet with the Activities Director and/or Principal. The student and parent/guardian must sign a release form stating that they no longer wish to participate in the random drug testing pool. If the student is 18 years of age and does not reside with a parent/guardian the student's signature is all that is required. Once a student enters the pool, he/she must remain in the pool for the remainder of that school year to be eligible to participate in co-curricular and/or extra-curricular activities as well as student parking privileges.

This consent form is effective until the student withdraws from the drug testing program, transfers to another school or graduation.
