

# OAK RIDGE PASS News

November 2014

Family Night on October 30 was a blast! We enjoyed getting to know parents while playing family games. I noticed many, many smiles all evening! We also followed directions (an important skill) and made some spooky popcorn hands to take home and snack on! And don't forget the yummy apple cider! What a great evening for everyone!

We are planning another Family Night for December so watch for upcoming information!

## What we are working on!!

Students are completing the book Time Bike and focusing on summarizing a story, making connections, visualizing and predicting.

6<sup>th</sup> graders are working on algebraic equations.

## Reminders!
