Welcome: We have a new student in our class—this makes our class 23 students now. Welcome to Trentin Whittaker!

Homework: Each night students should be reading for 15-20 minutes, practicing math facts, and practicing spelling words. Occasionally your child may have additional work. This should be work that he/she can do independently.

Halloween: Our Halloween party will be held on Wednesday, October 31 from 12:45-1:30. All parents are welcome to attend. Thanks ahead of time for those who are providing a treat for us!!

Math: We are beginning to work on 2 digit by 2 digit multiplication. Students will be learning strategies to solve these problems. In order to be successful, students will need to know simple (rocket math facts) quickly and accurately. If your child does not know simple facts quickly, please practice at home. If you do not have flash cards at home, please let me know and I will share some with you.
