Class Celebration: Our class has worked together to earn our third celebration. We voted to spend some extra time in the computer lab. This is our third celebration as a class. Yeah!!!

Tickets: We have added an extra incentive in our classroom in order to encourage appropriate behavior especially with talking. Students and teams of students are able to earn tickets for various expectations at Hawthorn. Students keep the tickets until they want to purchase items in our classroom. Some of the items available for purchase include: reading a book to our class or another class, lunch in our class with a friend, show and tell, the use of pen for a day, switch a job, switch a chair, and others!!!

Homework: Each night students should be reading for 15-20 minutes, practicing math facts, and practicing spelling words. Occasionally your child may have additional work. This should be work that he/she can do independently.

Halloween Party: Our class party will be on October 31 from 12:45-1:30. Darci Brown, our parent who volunteered to

be our room parent, will be contacting those people who signed up to supply items for our class party. A big thank you ahead of time for everything! All parents are invited to attend!!
