Camdenton R-III School District

Health Services Board Report August 14, 2017

1. STUDENT HEALTH SERVICES:

a. Clinic Log Visits for 2016-17 School Year (174 days): The following table represents the logged student visits to the health room in each school. This does not include employee visits, screenings, or other visits that may have not been logged as a clinic visit.

SCHOOL	VISITS	AVERAGE DAILY VISITS
Hurricane Deck Elementary	4,298	24.7
Osage Beach Elementary	8,123	46.7
Dogwood Elementary	12,830	73.7
Hawthorn Elementary	6,242	35.9
Oak Ridge Intermediate	10,327	59.4
Middle School	7,391	42.5
High School	3,579	20.6
DISTRICT TOTAL	52,790	303.5

b. Immunization Compliance: Our nurses work diligently at obtaining immunization compliance of all our students in accordance with state laws. See the attached annual Summary Report of Immunization Status which was submitted to the Missouri Department of Health and Senior Services.

Last year, the State of Missouri added the Meningitis vaccine to 8th grade and 12 grade requirements. We informed parents of this rule by mailing home letters and school reach calls. We also partnered with the Camden County Health Department by providing Immunization Clinics held at the High School and Middle School during open house in August 2016, and on March 31, 2017. Another Clinic was held during the Sport Physical Event on June 6, 2017 in preparation for the 2017-18 school year.

c. Miles for Smiles Program: The Health Services team has continued to promote this program which gives our students access to affordable and convenient dental care. The mobile dental unit visited each of our schools during the school year. The following table represents the amount of service that was provided:

SCHOOL	VISITS	SERVICE VALUE
Hurricane Deck Elementary	48	\$10,012.00
Osage Beach Elementary	27	\$5,622.00

Dogwood Elementary	127	\$26,974.00
Hawthorn Elementary	167	\$38,848.00
Dogwood Elementary Middle School		
Oak Ridge Intermediate	33	\$7,918.00
TOTALS	288	\$68,697.00

d. Screenings:

Vision, Hearing, Scoliosis, Dental and Body Mass Index screenings were completed and referrals made if indicated.

Dr. Wilson, audiologist from Lake Regional Health System provided hearing screenings in our elementary schools.

Lake Dental provided dental screenings.

e. Back to School Health/Safety Fair at Hurricane Deck Elementary on August 11, 2016 and Osage Beach Elementary on August 3, 2016: Multiple Community Organizations and Vendors were present. Students received school supplies, health supplies, and safety information.

f. Student CPR/First Aid: Kim Lapeyre, RN has continued to offer CPR and First Aide classes to our students, particularly at LCTC and the Robotics group.

g. Kindergarten Round-Up: Our nurses assisted in the Kindergarten screenings at Dogwood Elementary, Osage Beach Elementary, and Hurricane Deck Elementary.

2. EMPLOYEE HEALTH SERVICES:

a. Annual Employee Flu Shot Clinic: In collaboration with the Camden County Health Department, 313 staff members and/or family members received the influenza vaccine on October 20-21, 2016.

b. Annual Employee Wellness Clinic: 313 staff members and/or family members participated in our wellness clinic on May 24, 2016. Attendance continues to increase from years past. Preregistration was offered during the week of Annual Enrollment which has greatly improved the flow of the event. The following services were provided at NO COST to our insured employees and at a reduced service fee for employees who are not insured by the school district:

- Labs: Blood Chemistry, Complete Blood Count, Hemoglobin A1C, Thyroid Stimulating Hormone, Prostate Specific Antigen
- Pocket EKG Screening (\$15.00 charge to employee)
- Hearing Screening
- Blood Pressure Screening
- Vision/Glaucoma Screening
- Pulmonary Function Test
- Dietician Consulting
- Body Analysis Screening
- Take home Kit for Colon Cancer Screening
- Immunizations- 180 immunizations given (\$21,650.00 total billed to insurance)

c. Exercise Classes: Ingrid Davis continued to offer exercise classes twice a week to employees.

d. Health Clinic Services: The nursing staff has an open door policy in their clinic where we provide services to our staff such as, blood pressure monitoring, body analysis, weight, blood sugar monitoring, and assessment if illness is suspected.

e. Workman's Compensation Evaluation: The nursing staff provides initial evaluation and treatment to those employees who have been hurt on the job.

f. CPR/First Aid Training for Staff: Kim Lapeyre, RN continued BLS, CPR, and First Aid Training for our staff. Rhonda Franken, RN, BSN and Meagan Hardwick, RN started the process of CPR instructor certification and will soon be certified to start teaching classes. This will allow more classes to be held and more participants in each class.

g. AED (Automated External Defibrillator): The AED's throughout the School District are approaching "end of life". The old units are being replaced with PhysioControl units which are the same units that the local ambulance services use. They are willing to swap our AED pads when they are nearing expiration which will be a considerable cost savings for the school district. The replacement schedule for the AED's is as follows:

2016-17

Osage Beach Elementary –replaced 8/2016

Dogwood Elementary- replaced 8/2016

Administration Building- replaced 8/2016

Middle School – replaced one unit and second unit placed in atrium of the Little Theater 8/2016

2017-18

Oak Ridge Intermediate

Horizons

Hurricane Deck Elementary

Hawthorn Elementary

Transportation

2018-19

High School

LCTC

Robotics

3. COMMUNITY COLLABORATION:

a. Lamb House: The Lamb house provides a free pair of athletic shoes per year to students in need.

b. Child Advocacy: Child Advocacy assists our students in a variety of ways.

c. Lions Club: The Lions Club assists our students with eye exams and prescription glasses.

d. Lake of the Ozarks Idiots Club: This club provides various items to our students in need. They provide clothing, shoes, gas cards, automotive repairs, etc.

e. Lake Ozark Daybreak Rotary: Provides an annual monetary donation used to purchase extra clothing for our health rooms.

f. Laclede Cooperative: This organization provides a variety of toiletries and personal care items which can be ordered monthly. They also provide coats, jackets, sweatpants, gloves and hats.

g. State Fair Community College (SFCC): Collaborated with SFCC by providing pediatric clinical experience for their nursing students at Hurricane Deck Elementary.

h. Columbia College (CC): Collaborated with CC by providing pediatric clinical experience for their nursing students in the Nursing office during summer school.

i. Lake Regional Health System (LRHS): LRHS provided the services offered at our Employee Wellness Clinic.

j. Camden County Health Department (CCHD):

- Provided their service for our employees by offering Influenza Vaccine Clinics on October 16, 2016. The also offered other immunizations to our employees at our Employee wellness clinic.
- Provided school based Immunization Clinics for the Middle School and High School students, offering the Meningitis and TDAP vaccines.

k. Project Healthy Living: The focus of this community organization continues to be educating the community on Drug abuse, specifically prescription and over-the-counter drug abuse in our youth. We assisted with a Prescription Drug Take Back Event on April 29, 2017.

l. Ozarks Rural Health Network (ORHN): The purpose of ORHN is to create a coordinated and integrated network that addresses social determinants of health in the Missouri Ozarks region. The network is currently undergoing strategic planning and grant application for funding. The network seeks to increase access to needed services, coordinate resources, and support best practices across community systems to improve the health of the population. Our membership in this network will allow us to effectively coordinate services and resources for our students.

4. PROFESSIONAL DEVELOPMENT/CONTINUING EDUCATION:

The nurses in our District are committed to continuing education in order to provide the best practice in our health rooms as indicated by the following courses attended:

a. Missouri Coordinated School Health Conference (December 2016): Attended by Amy Cole, RN, Meagan Hardwick, RN and Shelli, Maher, RN

b. Missouri Association of School Nurses Spring conference (April 2017):
Attended by Tammie Lawson, RN

c. Basic Life Support (BLS): All of the nurses in the District are currently BLS certified. Kim Lapeyre, RN is a certified instructor. Rhonda Franken, RN and Meagan Hardwick are undergoing instructor certification training.

d. Lead Nurse Collaborative (September 2016):
Attended by Rhonda Franken, RN, BSN

e. SISK-12 Medical Module Webinar (September 2016):
Attended by Rhonda Franken, RN, BSN

5. PLANS FOR 2017-2018 SCHOOL YEAR:

a. Immunization Compliance: We will continue our partnership with the Camden County Health Department to provide School based immunization clinics this fall to ensure all students are compliant, particularly 8th grade and 12 grade students.

b. School Health Advisory Council (SHAC): The council met 2 times last year. The School Health Index (SHI) was completed for each school in the district on September 7, 2016. The Missouri Department of Health and Senior Services (MODHSS) provided \$8000.00 for our School District to conduct the SHI. A portion of the funding was used to provide substitutes for staff, supplies, and lunch/refreshments on the day the SHI was completed. The remainder of funds will be used to implement the action plans in each building. The action plans will be reviewed at the upcoming SHAC meetings with determination of fund allocation.

c. Back to School Health/Safety Fair at Hurricane Deck Elementary and Osage Beach Elementary: This event is scheduled at Hurricane Deck Elementary on August 10, 2017 and at Osage Beach Elementary on August 8, 2017. Multiple Community Organizations and Vendors will be present to give away school supplies and to encourage students to be healthy and safe this school year.

d. Lake Regional Health System Well Child Visit Project:

LRHS put this project on hold after the feasibility study last spring. The plan has changed in order to target the population of students in most need. LRHS would like to target our homeless student population. Planning will continue this fall and LRHS would like to set up the Well Child Clinic sometime this school year when feasible.

e. Continue all the Services that the Nurses currently provide to students and employees.

6. HEALTH SERVICES STAFF FOR 2017-2018 SCHOOL YEAR:

a. Full Time Staff:

- Rhonda Franken, RN, Health Services Coordinator
- Amy Cole, RN, Hawthorn Clinic
- Nancy Dickerson, RN, Dogwood Clinic
- Kaci Gibson, RN Osage Beach Clinic
- Kim Lapeyre, RN, Middle School Clinic
- Tammie Lawson, RN, Oakridge Clinic
- Shelli Maher, RN, High School Clinic
- Meagan Hardwick, RN, Hurricane Deck Clinic
- Kimberly Saab, RN, Dogwood Clinic

b. Substitute Nurses:

- Kimberly Bailey, RN
- Lindsay Bass, RN
- Rosemary Chance, LPN
- Mary Huffman, LPN
- Krista Monroy, RN
- Amy Rabenold, RN
- Heather Schnebly, LPN
- Pashia Woody, RN

Respectfully Submitted,

Rhonda Franken, RN, BSN
Health Services Coordinator
Camdenton R-III School District
