CAMDEN COUNTY

P&Z district reports slowdown in permits

AMY WILSON
awilson@westsidestar.net

A look back at 2016 within the Camden County Lake Area Planning & Zoning District shows what appears to be a slight slowdown in construction. Key categories such as new single family home permits and various home improvement permits did not reach 2015 totals.

According to data provided by the P&Z Office, construction permits re-

See PERMITS, page A6
