October 2014

Parent Night!

Mark your calendars for, Thursday, October 30th for our first Parent Night. This celebration will begin following the dismissal of PASS classes at 5:30 pm.

Students and parents will be learning and working together on Halloween activities to promote reading and math skills in a creative and fun way.

Students will need to have their parents sign a "permission" paper to be able to stay and celebrate. If the paper is not signed, your child will return home on the bus. Please let us know how many will attend so we order enough food!

We're Off to a Great Start!

Students are learning reading comprehension strategies, building on new English vocabulary of unfamiliar words, and we are studying volcanoes.

The students also experienced a hands-on lesson from the "Mad Scientist".
