Celebrations

The "PASS" students celebrated Bernice Gopar for her "Perfect Attendance" for the month of October! We are so proud of her and congratulate her "Perfect Attendance" achievement!! Great job, Bernice!!

Our "Parent Night" was a great success! It was held on October 30th with many parents and students attending. The students were the "teachers" and taught their parents various language arts and math concepts through hands-on activities. Everyone had a fun evening of learning!

The LCTC PAS" program will schedule a future "parent night" in December. Look for information on our special night coming soon.

LCTC Learning Leaders

In language arts, students are using their analyzing and summarizing skills through supporting details & background knowledge from a story. Students are also learning unknown English vocabulary words, learning the difference between fiction & non-fiction books, and facts on spiders.
