Parent Night!

Tuesday, October 27th will be our first Parent Night. This celebration will begin following the dismissal of PASS classes at 5:30 pm.

Students and parents will be learning and working together on Fall activities to promote reading and math skills including carving pumpkins!

Students will need to have their parents sign a "permission" paper to be able to stay and celebrate. If the paper is not signed, your child will return home on the bus. Please let us know how many will attend so we can order the proper amount of food.

We look forward to meeting each of you!
